To Whom it may concern:

We have employed the services of Lookout Management for over three years. Kevin Graham has assisted in the preparation of three surveys conducted to measure the level of satisfaction among our students and parents. He has prepared and delivered comprehensive reports on the tabulation and cross tabulation of survey results.

We have the highest regard for Lookout Management and Mr. Graham and have no hesitation in commending his survey services to you.

Sincerely,

Hal Hannaford
Principal of the College.
